
Help Me Help You

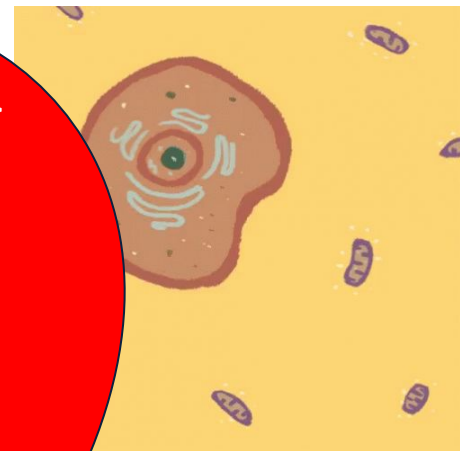

By Graham

←Me fr

Endosymbiotic theory ->
(origin of mitochondria)

Recruitment Email!

I'LL HAVE ALL THE HAM

(heavy breathing)

DONT FREAK
OUT!

What would you have liked to know when joining ASCSU?

**What would you like
from me going
forward?**

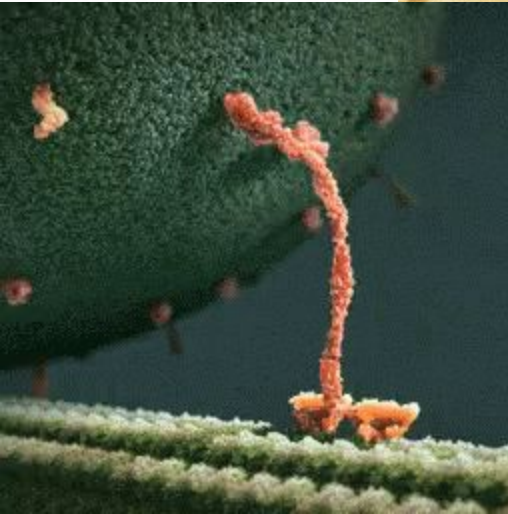

**this might affect my
lore**

might-ochondria

definitely-chondria

Questions you would like to ask me? (on topic or not)

bada** dragon ->

you've gotta be squidding me

Me at work fr ->

MMMMM CHEMICALS

That's all Folks!
