### **Guidelines for Vendors**

The ASCSU Student Benefits Program at CSU is a student benefit and perquisite program primarily intended to provide non-compensatory benefits to our university's student employees. To be considered for listing on the ASCSU's Student Discounts page, an offer must meet these guidelines.

1. The offer must be available to and suitable for all students, regardless of age, gender, race, color, religion, or any other personal attributes. Vendors who offer products or services directed at a specific population will generally be declined.
2. The discount or advantage offered must have a value of at least 10% of the advertised retail cost of the items or services.
3. Discounts must be of at least 6 months' duration. Vendors agree to provide ASCSU 30 days' notice before discontinuing an offer.
4. Vendors whose offerings are related in any way to tobacco products, smoking, vaping, e-cigarettes, marijuana or other drugs, pharmaceuticals, medical or dietary supplements, alcohol, firearms, tattoos, or any product or service that cannot be lawfully purchased or used by a minor without parental consent will be declined.
5. If the vendor does not have a physical presence in a locality where CSU has a campus, facility, or permanent employees, it must have a customer service telephone number and email address that is responsive to inquiries.
6. ASCSU reserves the right to accept or decline any vendor or offer at any time, in its sole and absolute discretion.
7. Vendors whose product or service closely resembles a product or service that CSU offers to its employees directly will generally be declined.
8. Vendors whose product or service closely resembles a product or service offered to CSU employees by a CSU Strategic Partner will generally be declined.
9. Any vendor, product, or service that is deemed to be inconsistent with CSU's Principles of Community will be declined.
10. ASCSU is not an advertising venue. Verbiage that is laudatory, aggrandizing, puffing, or comparative to other vendors, products, or services will not be used on the Student Benefits site.
