

# Executive Cabinet Meeting

January 21, 2026 | 5:00pm

Location: ASCSU Senate Chambers

Led by: Chief of Staff Bella Simpson

---

**Meeting Objective:** The weekly Executive Cabinet Meeting of the Associated Students of Colorado State University is intended to provide a check point of support and communication for all areas of the Executive Branch. Common topics include resource updates, stakeholder presentations, department share-outs, etc. Overall this is the time to get on the same page as an Executive Cabinet. This week we will be easing our way back into our new structure of cabinet by starting off with department share-outs about what was worked on/accomplished during winter break as well as any events coming up. There will be a small team bonding activity, The Human Scavenger Hunt. Ending with reviewing what the 4 week trial will look like for Cabinet restructure.
